

Ignitech - price list of freight

We use forwarder DHL from 1.6.2011.

DHL is very comfortable and quick freight. Freight time is 1-2 days to EU countries and 2-3 days to non EU countries. Tracking of delivery is always possible. Phone and e-mail notification at arrive of delivery is possible. We recommended this freight.

particular price list DHL freight

| without VAT | zone 1 | zone 2 | zone 3 | zone 4 |
|--------------------|--------|--------|--------|--------|
| weight [kg] | EUR | EUR | EUR | EUR |
